| <p>One of MARA’s hard-working members has designed and mounted a website which sets forth the issues that concern the general community who live, work and study in the area around Moorabbin Airport. We recommend that you view the information and we would welcome feedback. There are many links there to websites worldwide dealing with the same issues. Highly recommended. <a href="http://www.planecrashzone.com">http://www.planecrashzone.com</a></p> |   |   |
